Current professional situation and previous position

<i>Period</i>	<i>Job title and affiliation</i>
Dec 2023 – present	Researcher
Sep 2020 – Nov 2023	Postdoctoral Researcher Netherlands Institute for the Study of Crime and Law Enforcement (NSCR) & Center of Expertise Cyber Security, The Hague University of Applied Sciences
Oct 2017 – Jul 2020	PhD Candidate (Research Personnel in Training – FPU16/01671)
Sep 2016 – Sep 2017	Junior Researcher Cr�mina Research Centre for the Study and Prevention of Crime, Miguel Hernandez University

Education

Degrees

<i>Period</i>	<i>Degree and university</i>
2017 – 2020	PhD in Criminology (Intl., Hons.)
2016 – 2017	MSc in Crime Analysis and Prevention Miguel Hernandez University
2011 – 2016	BA in Criminology University of Salamanca

Language proficiency

Spanish (native), English (C2), Dutch (B1), French (A2)

Research

My research focuses on the human factors involved in how, when, and where cybercrime occur. I rely mainly on quantitative methods and data science, and I enjoy collaborating with researchers from other disciplines as well as with practitioners and professionals. The purpose of my research is twofold: to generate knowledge to better understand cybercrime, and to find solutions to reduce it or mitigate its impact.

- 2024 1. Loggen, J., Moneva, A., & Leukfeldt, E. R. A systematic narrative review of pathways into, desistance from, and risk factors of financial-economic cyber-enabled crime
Computer Law & Security Review, 52
- 2023 2. Van de Weijer, S. G. A., Leukfeldt, E. R., & Moneva, A. Cybercrime during the COVID-19 pandemic: Prevalence, nature and impact of cybercrime for citizens and SME owners in the Netherlands
Computers & Security
3. Moneva, A., & Leukfeldt, E. R. The effect of online ad campaigns on DDoS-attacks: A cross-national difference-in-differences quasi-experiment
Criminology & Public Policy, 22(4), 869-894
Impact: The findings of this paper have been discussed within Operation PowerOFF, a joint international law enforcement operation. The research has also informed an international cybercrime prevention strategy, under the InterCOPS network, led by the Cyber Offender Prevention Squad (COPS), High Tech Crime Team (THTC), of the Netherlands Police.
4. Moneva, A., & Leukfeldt, E. R. Insider Threats Among Dutch SMEs: Nature and Extent of Incidents, and Cyber Security Measures
Journal of Criminology, 56(4), 416-440

7. Moneva, A., Leukfeldt, E. R., & Klijnsoon, W. Alerting Consciences to Reduce Cybercrime: A Quasi-experimental Design Using Warning Banners
Journal of Experimental Criminology, 19, 835-862
Impact: This paper guided the design of a national cybercrime prevention strategy, based on online ad campaigns, implemented by the Cyber Offender Prevention Squad (COPS), High Tech Crime Team (THTC), of the Netherlands Police. Five other European countries have subsequently implemented similar campaigns under the scrutiny of Europol and Interpol.

Personal grants

<i>Period</i>	<i>Grant and funder</i>	<i>Amount (€)</i>
2023 – 2027	Veni grant - NWO Talent Programme (VI.Veni.221R.024) Dutch Research Council (NWO)	279,841
2017 – 2020	Grants for the training of university staff (FPU16/01671) Spanish Ministry of Education, Culture and Sports; and Spanish Ministry of Science, Innovation and Universities	65,688
2019 – 2019	Mobility grants for short stays and temporary transfers (EST18/00043) Spanish Ministry of Science, Innovation and Universities	3,060

Consortium grants

<i>Period</i>	<i>Grant and funder</i>	<i>Amount (€)</i>
2022 – 2023	Programma Politie en Wetenschap (PW/OV/2023/27.10) Netherlands Police	101.060

Teaching experience

My teaching areas include introductory criminology, environmental criminology, cybercrime prevention, research methods. I completed the Initial Training Program in University Teaching (PFIDU), the Spanish equivalent of the Basis Kwalificatie Onderwijs (BKO). I am also a certified Carpentries Instructor qualified to teach the core curriculum of Data Carpentry, Library Carpentry, and Software Carpentry.

Undergraduate courses

<i>Period taught</i>	<i>Subject and university program</i>	<i>Code</i>
2018 – 2020	Introduction to Criminology BA in Public Safety and Private Security, Miguel Hernandez University	08030
2018 – 2019	Violent communication and hate speech in cyberspace MA in Cybercrime, International University of Catalonia	12963
