Current professional situation and previous position

Sep 2020 - Present	Postdoctoral Researcher Netherlands Institute for the Study of Crime and Law Enforcement (NSCR) & Center of Expertise Cyber Security at The Hague University of Applied Sciences
Oct 2017 - Jul 2020	PhD Candidate (Research Personnel in Training - FPU16/01671)
Sep 2016 - Sep 2017	Junior Researcher Cr�mina Research Centre for the Study and Prevention of Crime at Miguel Hernandez University

Education

Degrees

2017 - 2020	PhD in Criminology (Intl., Hons.)
2016 - 2017	MSc in Crime Analysis and Prevention Miguel Hernandez University
2011 - 2016	BA in Criminology University of Salamanca

Language proficiency

Spanish (native), English (C2), Dutch (B1), French (A2)

Research

My research focuses on the human factors involved in how, when, and where cybercrime occur. I rely mainly on quantitative methods and data science, and I enjoy collaborating with researchers from other disciplines as well as with practitioners and professionals. The purpose of my research is twofold: to generate knowledge to better understand cybercrime, and to find solutions to reduce it or mitigate its impact.

Posters

- 2018 100% sure fixed matches. Exploring the environmental features on alleged fixed sport matches websites and their networks
IV Simposio de Investigación Criminológica

Invited talks

- 2022 Si Zaragoza no se rinde, yo tampoco!
Ciencias y Vivencias en Países Bajos by Spanish Scientists in the Netherlands (CENL)
One ad a day keeps cybercrime at bay
Interdisciplinary Conference on Cybercrime
Using online ads to reduce cyber-attacks: lessons learned and future directions
2022 INTERSCT Conference on cyber security of Internet-of-Things
- 2021 Research Dutch Google Adwords campaign
EMPACT 3.1 Workshop by the Cyber Offender Prevention Squad (COPS) from the Dutch National Police
Factores humanos e institucionales en el cibercrimen y la ciberseguridad
Seminar by the Centro de Investigación para la Gobernanza Global & Programa de Doctorado en Estado de Derecho y Gobernanza Global at University of Salamanca
Alerting conscience to reduce DDoS attacks against the gaming industry: A quasi-experimental design using Google Ads
Research lunch by the Centre of Expertise Cyber Security at The Hague University of Applied Sciences

Workshops

- 2022 cacc: Conjunctive Analysis of Case Configurations
NSC-R Workshop
Using R for Reproducible Social Science
NSC-R Workshop & NWO-I Digital Competence Center (DCC) & Data Carpentry
TidyTuesday
NSC-R Workshop
- 2021 RMarkdown
NSC-R Workshop
- 2020 Análisis Conjunto de Configuraciones de Caso (CACC)
#YHLQMDLG: talleres metodológicos para la investigación empírica en Criminología y Derecho penal

Funding

Personal grants

- 2017 - 2020 Grants for the training of university staff (FPU16/01671)

- 2019 - 2019 €65,688 funded by the Spanish Ministry of Education, Culture and Sports and the Spanish Ministry of Science, Innovation and Universities
 Mobility grants for short stays and temporary transfers (EST18/00043)
 €3,060 funded by the Spanish Ministry of Science, Innovation and Universities

Teaching experience

My teaching areas include introductory criminology, environmental criminology, cybercrime, and research methods. I completed the Initial Training Program in University Teaching (PFIDU), the Spanish equivalent of the Basis Kwalificatie Onderwijs (BKO). I am also a certified Carpentries Instructor qualified to teach the core curriculum of Data Carpentry, Library Carpentry, and Software Carpentry.

Undergraduate courses

- 2018 - 2020 Introduction to Criminology
 [08030] BA in Public Safety and Private Security, Miguel Hernandez University
 2018 - 2019 Violent communication and hate speech in cyberspace
 [12963] MA in Cybercrime, International University of Catalonia

Guest lectures

- 2022 Crime, Safety & Security
 [SSMS-CSS-22] BA in Safety and Security Management Studies, The Hague University of Applied Sciences
 Cyberattacks, Crime and Defenses
 [2IMS20] MSc Information Security Technology, Eindhoven University of Technology
 2021 Crime, Safety & Security
 [SSMS-CSS-21] BA in Safety and Security Management Studies, The Hague University of Applied Sciences
 New criminological theories and cybercrime
 [51GCRI] BA in Criminology and Security Sciences, Valencian International University
 2020 Financial crime, white collar crime and digital systems
 [UCIL20132] Trust & Security in a Digital World: From Fake News to Cybercriminals, University College for Interdisciplinary Learning at University of Manchester
 2019 Organised crime
 [21099] BA in Criminology and Public Policies for Prevention, Pompeu Fabra University
 2019 Fighting hate crime
 [10454] Summer course, Miguel Hernandez University
